95 POINTS

There's a tiny amount of strut to this wine. It's a good thing. It tastes of blackcurrant, ground coffee, mint and fresh herbs, and while it's generally elegant it powers confidently through the finish.

Tony Keys of 'The Keys Report'

96 POINTS

A strange word classic, to those who adore old vehicles a classic car is a machine of beauty, to others it's an old car. This is classic Coonawarra cabernet and to me a wine of great beauty, its drinking very well now but has a long life ahead an easy 96 points...

92 POINTS

An ever reliable producer and this new release is solid once again. Classic Coonawarra in spades. Dark fruits, cassis, dark chocolate and mint. Generous and moreish, this is right in the slot. Drying tannins with chalky and powdery feels. A great drink. I had it with lamb chops - you should too.

Toni Paterson of 'The Real Review'

90 POINTS

Pure, vibrant, aromatic fruit with lilted cassis aromas. The medium-bodied palate is bright and lively, with integrated oak and acidity, plus fine tannin. At four years of age, this wine displays beautiful balance and composure. An elegant wine with lovely balance that is drinking well now, though it will continue to develop with time in the cellar.
