95 POINTS

The nose is full of flavours and rich with notes of white flowers and crème patissière. However, the palate is crisp, fresh and delicate with a lovely creamy texture. It is elegant, refined and very stylish... It's a pleasant combination of power and concentration blended with finesse and elegance. While the dosage is 9g/l, it feels much drier, more like a 5g/l and this probably due to the spinal cord of acidity.

The refinement of the bubbles and impeccable pale color brought James Bond to mind for one taster, 'the new Bond, the blond Bond' ... This is a bold and powerful wine that holds its balance. Driven by scents of brioche and chalk, along with intense acidity, it should develop well with several years of bottle age.

Bright gold with a strong bead. Highly perfumed bouquet displays pear, nectarine, honeysuckle and sweet butter, plus an undercurrent of spice, ginger and lemon pith adding energy. Fleshy pit fruit and soft citrus flavors provide very good palate coverage and offer pungent spice and candied floral qualities on the back end. Nervy minerality adds lift and cut to the long, gently smoky and subtly sweet finish, which leaves candied orange peel and floral notes behind.

Mix of three varieties, presents extremely fine aroma, delicate fruit... perfect acidity but with volume and claw. Rich set.

This presents floral and ripe fruit notes on the nose, wafting through flavors of white cherry, toast, dried apricot and salted almond on the palate. Well-balanced and smoky, structured by firm acidity and a lively mousse.

Armand de Brignac Brut Gold is an exceptional champagne that our tasting panel has fallen in love with. On the nose this wine is quite effervescent and fruity. Light, crisp and creamy across the palate, this wine is truly something special... Armand de Brignac is as much of a statement as it is a beautifully balanced wine... it's for special occasions, special events or a special someone.
