2012 PINOT NOIR
CENTRAL OTAGO, NEW ZEALAND

Colour Notes

Rich ruby-red.

Aroma Notes

Intense aromas that combine notes of berry fruits and savoury herbs and spices.

Palate Notes

An earthy streak with notes of nuts and herbs. Elegant and fresh, with a long finish.

Bob Campbell

93 POINTS

Rich, concentrated and quite complex Pinot with bright red cherry and plum flavours together with a hint of fresh herbs and spices. Quite burgundy-like. Elegant wine that is accessible now but promises to age well.

Raymond Chan

18 POINTS

Even, dark ruby-red colour, lighter on the rim. The nose is elegantly proportioned with intense aromas of fresh, ripe, dark red berry fruit entwined with savoury thyme herbs, dried herbal elements, sour cherries and game notes. Some complexing secondary undergrowth nuances are beginning to emerge. Medium-full bodied, tight and well-concentrated fruit flavours of dark red berries and black cherries show with sweetness and succulence. The fruit intermingles with dried herb, nutty oak and earthy detail, and is supported by fine-grained tannin extraction. Bright acidity enlivens the mouthfeel and the wine follows an elegant, sinewy line, leading to a long and sustained, fresh-fruited finish. This is an elegantly concentrated, fresh, sweet-fruited Pinot Noir with complex, herb and earthy notes and a sinewy palate. Match with lamb, beef and venison, and semi-hard cheeses.

Lisa Perrotti-Brown - The Wine Advocate

90 PARKER POINTS

Pale to medium ruby-purple colored, the 2012 Pinot Noir is scented of kirsch, red currant jelly and black forest cake with nuances of fallen leaves and cloves. Medium bodied and elegantly fruited in the mouth, it has very fine tannins and good persistence.
