

"The FAY vineyard is where the Stag's Leap Wine Cellars story began. Established by pioneering grape grower Nathan Fay in 1961, it was the first planting of Cabernet Sauvignon in what is now the Stags Leap District."

Robert Parker's The Wine Advocate

95 POINTS

The 2013 Cabernet Sauvignon Fay Estate-Grown comes from a vineyard established by Nathan Fay in 1961. Beautiful blackcurrant, floral-infused fruit jumps from the glass of this dense ruby/purple wine. There are some loamy underpinnings of soil, but the wine is medium to full-bodied, beautifully fruited, with great texture, and terrific purity and personality. This is a serious and beautiful wine...

Antonio Galloni's Vinous

95 POINTS

Rich, ample and seductive, the 2013 Cabernet Sauvignon Fay is impressive. Ripe, noble tannins, bright red-toned fruit and notable creaminess give the Fay its air of total sophistication. The 2013 vintage produced mostly huge, structured wines, but if there is one Cabernet I might be tempted to open a bit on the early side, the Fay might be it. Once again, the sheer gracefulness of Fay speaks with eloquence.

Wine Enthusiast

91 POINTS

Smooth, chalky tannin supports deep, dark layers of tar, black currant and savory peppercorn, within a context of baked plum. Full bodied, the wine is also round and easy to love, with supportive structure making it a worthwhile bottle from the stellar appellation.

BEST OF THE YEAR - 2016

...This wine's delicate scents of strawberry and darker purple-fruit flavors are completely surrounded by oak for now, layered into the dark tannins of the vintage. Give it cellar time for the fruit to emerge.
