

DRY MED SWEET

ALCOHOL  
13%

VARIETY  
Pinot Noir

Colour Notes

Deep ruby.

Aroma Notes

Subtle black currant notes underlined by florals and a clean bouquet typical of fine Burgundian Pinot Noir.

Palate Notes

The most feminine of the estate's Pommards. It has a fleshiness and dense and silky tannins, a floral note of spicy roses, a persistent mouth full of lace. Very sensual.

*"Bringing life into the soil results in giving priority to the supply of organic matter, to plowing, to listening to nature, to being at one's own rhythm."*
