DRY MED SWEET

ALCOHOL
12%

VARIETY
50% Chardonnay, 30% Pinot Noir, 20% Pinot Meunier

Colour Notes

Rich and intense golden hue.

Aroma Notes

The nose shows pure, unadulterated red fruit characters, some wild earthy notes followed by lifted citrus, rich almond and nutty autolytic notes.

Palate Notes

The palate displays succulent, mouthwatering acidity and structure with layered citrus and peach fruit characters, touches of saline and flinty notes, dry yet fleshy textures, long and slightly smoky hints, with succulent mandarin peel flavour to the finish.

BRUT NATURE
CHAMPAGNE, FRANCE

Robert Parkers 'The Wine Advocate'

90 PARKER POINTS

The NV Brut Nature Premier Cru Cumieres... is relatively round, soft and voluptuous, in keeping with the personality of the year. At the same time, there is more than enough underlying minerality to give the wine its cut and focus. Juicy peaches, pears, flowers and sweet spices are layered into the delineated, pointed finish. This is a fabulous effort from Vincent Laval.

Wine Spectator

92 POINTS

Rich with whole-grain toast and golden currant notes, vibrant with finely knit acidity, this elegant Champagne is soft and creamy in texture, with flavors of yellow plum, smoked almond and fleur de sel lingering on the finish.
