90 POINTS

Alluring, with a creamy feel to the mix of white peach, mango and white cherry fruit flavors that stay nicely defined on the finish, thanks to a subtle mineral edge.

18 POINTS

The colour is the palest coral pink. The texture is fast becoming a d'Esclans hallmark - gossamer silk with a magical slipperiness offset with tangy citrus pink grapefruit notes and cool, river-stone minerality. This is a perfect Whispering Angel and it will appeal from the moment it is poured into your glass until the last sunset next summer.

5 STARS - BEST ROSÉ FOR SUMMER 2016

This dry Rosé is a refreshing and crisp summer treat, worthy of a boat appearance. In the glass, the Whispering Angel has a beautiful light colored pale pink rose and salmon hue to it. It packs beautiful perfume-esque fragrances of tropical summer fruit and strawberry. The opening palate is bright, young, crisp and refreshing. There are big hints of ripe red raspberry, strawberry and apricot. Bits of mild citrus become more evident on the mid-palate, backed by additional red berry notes. The subtle citrus tart really adds some dimensionality to the wine, increasing complexity and also bringing out some clean mineral notes. Approaching the close, the wine stays refreshing with a perfect balance of light strawberry and citrus fruit over a long finish.
