Riesling, Chardonnay, Gewürztraminer and Sauvignon

"This versatile wine is the result of many years of trying to create a wine to optimize the food pairing, by enhancing different flavours, instead of having to order a different wine for each dish. This wine was dedicated to Franz's wife Maria Luisa Manna."

Colour Notes

As young wine it has a nuanced golden yellow appearance but after several years of aging it turns to intense golden tones.

Aroma Notes

The Manna seduces with a complex and layered bouquet recalling notes of elderflower, pistachios and rose petals.

Palate Notes

It stands out also for its complexity and concentrations that are combined with a soft elegance and a mineral structure. During the many phases of its development this wine displays different characteristics and perspectives by changing both in the bottle and in the glass continuing to surprise and amaze.
