### Wine Enthusiast

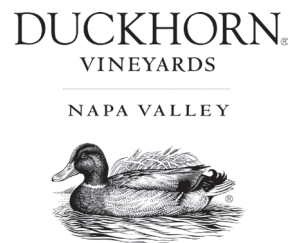

*91 POINTS*

This is a concentrated and deliciously lush white wine, highlighted in thick notions of honey, pear and swirls of caramel. Expressive and ripe, it does justice to the warm-vintage and focused winemaking.

### Robert Parker's The Wine Advocate

*90 POINTS*

The 2015 Chardonnay opens with apples, pears and peaches with touches of croissant and honeysuckle. Medium to full-bodied, satiny and fresh, it has lovely expressiveness.
